JABRA WARRANTY+

Protect your investment with extended warranty

Up to 5 years of warranty giving you certainty that your devices are covered

Jabra Warranty+ is a service designed to extend device coverage beyond the standard warranty term[1]. It helps you protect your investment by staying covered for longer.

Safeguard your investment when purchasing Jabra solutions through Jabra channel partners.

Increased protection with additional coverage for 1, 2, or 3 years depending on the device. If something goes wrong, we'll replace the device. Just. Like. That.

Available for selected Jabra devices at time of product purchase[1]. Designed for enterprise customers.

Each device can have its own warranty length so you can secure the devices that matter most.

1 Talk to your Jabra Account Manager or Jabra Support to find out which enterprise products and countries are covered by Jabra Warranty+.
Terms and Conditions apply, see www.jabra.com/business-services-terms for more information.
