Jabra

C250

THE MINI BOOM HEADSET THAT'S COMFORTABLE, CLEAR AND DISCREET.

The C250 is a stylish, lightweight, behind-the-ear headset with built-in miniature microphone boom for optimal voice pick-up. Listening quality is optimized by the high-sensitivity miniature speaker and Jabra MiniGel™, which channels sound to your ear.

Every conversation becomes an enjoyable experience with this corded, contoured earpiece that fits discreetly behind either ear for a comfortable and secure fit.

Answering and ending calls is convenient too, with the Answer/End button located right at your fingertips on the microphone boom.*

* Answer/End button functionality dependent on mobile phone

FEATURES

- Secure and discreet behind-the-ear design for maximum comfort
- Designed to complement the contemporary styling of modern mobile phones
- Boom microphone for optimal voice pick-up
- Answer/End button on boom tip for ultimate convenience*
- Jabra Minigels to channel sound directly into your ear for a perfect fit and call clarity
