GN2100 SERIES

ULTRALIGHT DESIGN. UNSURPASSED QUALITY.

The GN2100 is the state-of-the-art, professional headset for today's office and contact center delivering unsurpassed sound quality and crystal clear conversation. The headset's lightweight, sleek styling enhances one's professional image and comfort – as well as productivity.

The GN2100 is available in a variety of wearing styles. The attractive 3-in-1 design takes personal comfort to a new level, allowing each user to select the most comfortable wearing style – the popular lightweight headband, the adjustable FlexLoop, or the SureFit earhook. For those who know which style best suits their needs, headband and earhook models are also available individually.
