Jabra BT 330

The Jabra BT330 – light, comfortable and stylish. Enjoy the freedom to communicate all day long.

The Jabra BT330 is extremely compact and lightweight, yet is powerful enough to deliver up to 7 hours of talk time making it perfect to wear all day long. With the volume controls and the answer/end button conveniently located, the Jabra BT330 is also simple to use.

The Jabra BT330 Bluetooth® headset is worn Over-the-Ear and is styled to complement the design of the latest mobile phones. Its soft flexible ear hook rotates to fit comfortably on either ear and the sculptured shape of the headset directs sound into the ear for excellent reception.

Specifications:

- Flexible ear hook for use on either ear
- Up to 7 hours talk time, 200 hours standby
- Answer/end button and volume control
- Bluetooth link LED (blue)
- Battery status indication LED
- Weighs only 17 grams
- Bluetooth 1.2 supports headset and hands-free profiles

Freedom, Design and Innovation from Denmark.
