The Jabra BT350 The versatile Bluetooth® headset

Choose it for the way it works

The Jabra BT350 is a wireless mobile headset with high-quality sound and all the functionality you need for the perfect hands-free mobile experience. The BT350 features vibrate alert*, which lets you know when you have an incoming call – even if you're not wearing your headset. This, along with the convenient answer/end button and volume control, means you can manage your calls without accessing your mobile phone.

Wear it for the way it looks and feels

The over-the-ear BT350 headset is designed to look great and feel even better. It is a compact headset with a striking modern design. It is very light and fits comfortably over either ear – so comfortably that you'll almost not notice it's there.

Use it wherever you are – at work or play

Whether you are in the office or traveling to a meeting, the Jabra BT350 is designed with your world in mind. With up to 7 hours talk time and 200 hours of standby*, the headset will keep going as long as you do. Advanced usability features include LED status lights and easy charging via USB cable from your PC.

Enjoy the freedom of hands-free communication. Release you Jabra.

1

Earhook
Flip and rotate to fit either ear

2
