

JABRA SPORT-CORDED
Corded stereo sports headset
Works with most phones (3.5 mm)

DATASHEET

High sound quality and ultimate comfort - made for sport

The Jabra SPORT-CORDED is made to give you the comfort you need to be able to listen to your music or talk on your mobile phone while you walk, jog or run to your own beat. The Jabra SPORT-CORDED is ultra-light and easy to wear. With a choice of Ultimate Comfort Eargels™ and a flexible behind-the-ear fit, it stays firmly and comfortably in place. It's also tough. With military grade rain, dust and shock protection it is fit for any challenge, indoors or outdoors. For more freedom while you exercise, the Jabra SPORT-CORDED comes with an extension cable. It also comes with a carrying case, for added convenience.

With the Jabra SPORT-CORDED you get exceptional music and call sound quality and a wind-shielded microphone. A control box right on the cord allows you to control your music and calls with ease.

Reasons to choose the Jabra SPORT - CORDED

- Secure and comfortable fit during workouts
- Rain, dust and shock protection. US Military standard
- Powerful speakers ensure high quality sound

Quick Start Guide

Welcome to Jabra SPORT – CORDED – the ultimate sports headset that integrates supreme sound and a secure fit with a design that moulds to the ear.

1. Control box

Use the control box to play and pause your music, answer and end phone calls, skip tracks, and control the volume of your music and calls.

2 Wearing style

Each Jabra ear piece is ergonomically designed to mold to your ear and to fit either your left or right ear. To ensure optimal comfort and sound, follow the instructions:

2A Place each ear piece so the speaker is in front of the ear canal and the ear hook wraps snugly around the back of the ear. Please note, that the earhooks are bendable and adjustable to ensure the best possible fit and comfort.

2B How to change eargels:

- 1 Take off the eargel
- 2a The pointy eargel has to point away from the Jabra logo
- 2b The loop eargel has to point towards the Jabra logo
- 3 The eargels can be adjusted so they make for a personal fit just for you
- 4 Jabra SPORT – CORDED is ready for action
