

Jabra VXi UC ProSet LUX Headset

Premium professional headset delivering best-in-class sound quality and easy USB connectivity.

The VXi UC ProSet LUX is designed specifically to work with popular Unified Communications systems and softphones. The only headset with a UC presence LED indicator built into the microphone, the VXi UC ProSet LUX helps prevent interruptions to ensure more productive calls.

Crystal-clear sound & noise cancellation

Ultra noise cancelling virtually eliminates background noise. HD Voice, DSP and HiFi sound provide high-definition calls and music.

Visual presence indication

Minimize unwanted interruptions with the unique LED UC presence indicator. The presence indicator is designed around established UC standards.

All day comfort

Wear comfortably all day with leatherette and foam ear cushions included for comfort preference.

Easy to use

USB connectivity delivers a Plug and Play experience.

Reasons to choose:

Jabra VXi UC ProSet LUX Headset

- Be heard clearly with ultra noise cancellation
- Enjoy high definition calls and music with HD voice, DSP and HiFi sound
- Minimize unwanted interruptions with LED UC status indicator
