

Jabra VXi UC ProSet Headset

A professional corded headset with impressive noise cancellation that's UC-ready.

This premium QD corded headset has a superior microphone and wideband audio and is optimized for contact center use with all leading phone systems.

Crystal-clear sound & noise cancellation

Ultra noise cancellation virtually eliminates background noise. HD Voice brings high-definition sound quality to both ends of the call.

Built to last

Real-world durability with braided cord that will stay kink-free and flexible.

Top choice for comfort

Adjustable, custom fit with leatherette and foam ear cushions included for comfort preference. Flexible microphone boom stays in place for optimal sound quality.

UC-ready

Whether you already have a Unified Communications system, or are still weighing your options, the Jabra VXi UC Pro is ready when you are.

Reasons to choose:

Jabra VXi UC ProSet Headset

- Be heard clearly with ultra noise cancellation
- Enjoy clear conversations with natural-sounding wideband audio
- Stay focused with a stable, comfort fit
- Get the most from your equipment investment with V, P or G-style models
- Available in mono (1 speaker) or duo (2 speakers)
