JABRA PLUS MANAGEMENT

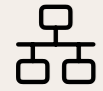

Remote device management, made easy

Monitor and manage the full range of audio and video conferencing room solutions from anywhere with powerful features like real-time room visibility, simple troubleshooting, remote reboot*, and mass updates to enable new experiences. With simple and secure device management, you can optimize the performance of all your Jabra devices from anywhere to keep your meetings running smoothly.

ALL-IN-ONE REMOTE DEVICE MANAGEMENT

Keep your Jabra video conferencing and personal audio devices running smoothly from wherever you are in the world. Quickly handle any issues and keep your tech meeting-ready without the hassle.

FULLY SCALABLE

Whether you've got a few devices or lots, Jabra Plus Management handles them all. View and manage all audio and video conferencing room solutions globally or by location and tailor IT access to fit your needs, all with one simple tool.

CUSTOMIZE YOUR DEVICE SETUP

Organize your setup to view devices by location, group, or individual device, with an easy-to-use draganddrop interface. Get instant access to the information you need quickly and clearly.

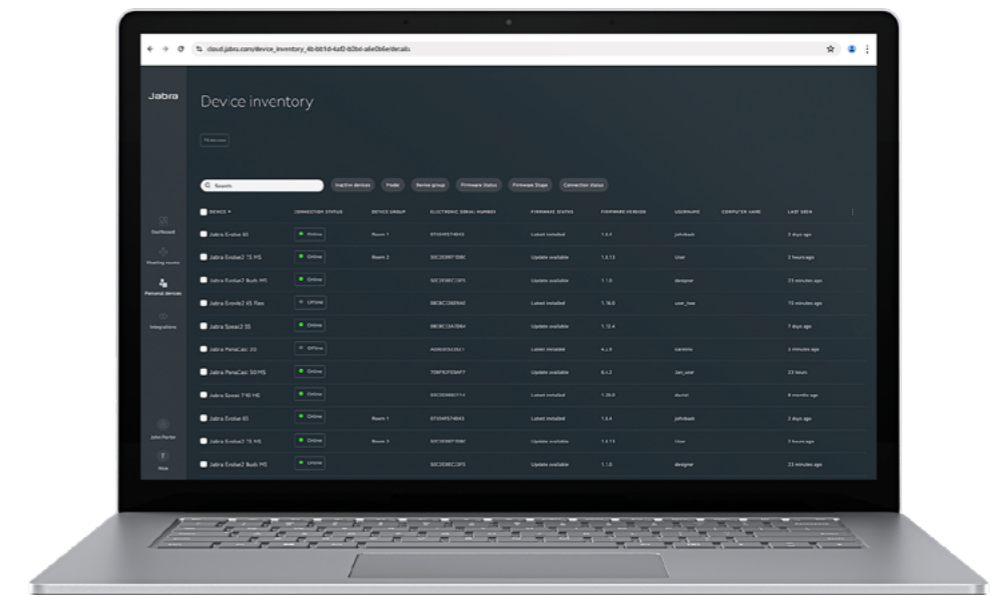

EASY FIRMWARE UPDATES

Update your devices with the latest experiences to get the most from your investment. Automatically update every device or test updates in specific device groups. Updates can be scheduled after-hours to avoid disruption and are automatically rescheduled if a room or audio device is in use.

HIGHLY SECURE

Built on Microsoft Azure, Jabra Plus Management is secure and scalable with easy access through single sign-on integrations. It meets GDPR standards and undergoes frequent security assessments to ensure robust protection and compliance.

* Applicable to video conferencing room solutions only.

Tailored services for a seamless workday

Make hybrid working a success with Jabra's complete range of services.

HOW JABRA SERVICES BENEFIT CUSTOMERS

Take standard warranty to the next level

Extend device coverage length to support your budget cycle and policies with up to 5 years total warranty¹ with Jabra Warranty+.
