

BlueParrott B550-XT

SIMPLY TALK, TO TALK.

THE WORLD'S FIRST 100% VOICE-CONTROLLED HEADSET¹

Engineered for superior calls in high-noise environments

Industry-leading noise cancellation.

Blocking out 96% of background noise¹ gives your conversations the quality you've been looking for – ensuring that you're heard no matter what type of high-noise environment you're in.

All-day conversations.

With up to 24 hours talk time, and 220 hours of standby time, you won't need to cut short your conversations.

Just talk. Voice-controlled calls.

When you need your hands to do your job, use your voice to activate the headset and control your calls, GPS directions, music, voice assistants, and more. Complete hands-free use lets you concentrate on the task at hand.

All-day comfort.

BlueParrott® B550-XT is a fifth generation Bluetooth® wireless headset, with a design perfected for all-day wearing. With extra padding on the headband and a larger, more cushioned earcup, the B550-XT gives you the headset experience you need when on the road.

Rugged design. Built to last.

BlueParrott B550-XT features an IP54-rated design for protection against dust and water.

Quick control, the way you want it.

Our popular BlueParrott Button™ lets you customize your favorite features at the touch of a button². Speed dial, mute, and Push-to-Talk capabilities make for quick and easy access to what matters most – your conversations.
