WELCOME

Congratulations on purchasing your new Jabra CHAT - FOR PC. We are sure you will enjoy its range of features and find it easy to use.

Jabra CHAT - FOR PC Features

- HD Voice for exceptional sound quality.
- Fully integrated call controls for remote softphone operation.

PRODUCT OVERVIEW

INSTALLATION

Jabra PC Suite

Jabra PC Suite is a collection of software designed to support the Jabra CHAT - FOR PC.

To install Jabra PC Suite, launch the setup file on the supplied installation CD, or download the latest version from the Jabra website at www.jabra.com/jabrapcsuite.

CONNECTING

To connect the Jabra CHAT - FOR PC, connect the USB cable attached to the headset to any available USB port on a PC or power-supplied hub.

Note: The headset must be connected to a PC USB port or power-supplied hub, and not a bus-powered USB port (such as a keyboard with an integrated USB).

SETUP

When the Jabra CHAT - FOR PC is connected to a PC, Windows will automatically configure the headset as the default audio device.

To manually change the default audio device to an audio device other than the Jabra CHAT - FOR PC:

1. Click on Windows **Start** and then launch Windows **Control Panel**.
2. Open **Sound and Audio Devices**, and select the **Audio** tab.
3. Under Sound Playback, and Sound Recording, set the preferred audio device as the default device. Click apply to save the settings.

CALL FUNCTIONS

Basic functions

Event	Action
Make a call	Dial the phone number using Skype (softphone)
Answer an incoming call	Tap the answer/end button 
End a current call	Tap the answer/end button 

Mute/un-mute the Microphone

Tap the mute button  to toggle between mute/un-mute. When muted, the red mute LED will light up. When there is an incoming call, or when a call is ended, the microphone will always be un-muted.

Increase/decrease Speaker Volume

Tap (or press and hold) the  or  buttons.

Listening to Music

To listen to music played on a PC using the headset, the Jabra CHAT - FOR PC must be set as the default audio playback device in Windows.

1. Launch Windows **Control Panel**, and double-click **Sound and Audio Devices**.
2. Select the 'Audio' tab, and set the Jabra CHAT - FOR PC as the default sound playback device. Click apply to save your settings.

Music played on the PC will now play through the connected headset.
