

## EVOLVE 40

**Engineered to boost efficiency.** Professional corded headset. Enhanced productivity.

### UC-certified means UC-satisfied

When collaboration is easy, everyone is happy, with both their UC platform and their headset. Evolve 40 is UC-certified and available in a Microsoft Teams-certified variant, for truly seamless communication.

### Passive Noise Cancellation

Comfortable leatherette ear cushions and on-ear design for all-day comfort.

### Get in the zone. Stay in the zone.

Show those around you when you're on a roll and not to be disturbed, by activating the busylight. The handy little light automatically turns red when you're on a call to keep you from being interrupted, or you can enable it manually.

### Stay connected, using either USB or jack

Connect to your PC via USB-A or USB-C. Use the 3.5mm jack to connect to your mobile device\* - such as a smartphone or tablet - to work or listen to music wherever you may be.

### Intuitive control unit

Get easy access to the most used functions, like volume and mute. You can also answer and end calls quickly and easily, directly from the control unit.

### Plug-and-play setup

Works out of the box with all leading Unified Communications platforms. Installation is as easy as simply plugging it in.
