- Busylight indicator
- Multi-function button
- Battery indicator
- Bluetooth indicator
- Volume up
- Volume down
- USB connect & charging port
- On/off/connect switch
- Microphone boom-arm
2.2 Mono variant

- Magnetic microphone groove
- Adjustable headband
- Volume up
- Busylight indicator
- Volume down
- Multi-function button
- Battery indicator
- USB connect & charging port
- Bluetooth indicator
- On/off/connect switch
- Microphone boom-arm

2.3 Included accessories (stereo and mono)

- Carry pouch
- USB cable
3. How to wear

3.1 Left or right wearing style

The Jabra Evolve 65 can be worn on the left or right by flipping the microphone to the other side (270° limit).
3.2 Adjust the headband

Adjust the headband to find the most comfortable fit.

3.3 Position the microphone

It is recommended to position the microphone close to your mouth (0.5 inches).
The microphone is bendable for personal preference.

3.4 Storing the microphone

When listening to music or outdoors, the microphone can be magnetically stored in the headband groove.
4. How to charge the battery

The headset battery will charge when connected to a PC using a USB cable, or when using any USB charger supplied with your mobile device.

The headset can still be used for calls while charging using a USB cable connected to a PC.

It takes approx. 3 hours to charge the battery.
5. How to connect

5.1 Connect to PC (using jabra Link 370)

1. Ensure the headset is switched on.
2. Plug the Jabra Link 370 dongle into a USB port on your PC. The headset and Jabra Link 370 are already pre-connected.
5.2 Connect to mobile device (using Bluetooth)

1. Wear the headset.

2. Hold (3 secs) the **On/off/connect** switch in the connect position until you hear the voice guided instructions. The Bluetooth indicator will flash blue.

3. Follow the voice guided instructions to connect.
5.3 Connect to PC (using USB cable)

1. Ensure the headset is switched on.
2. Plug the headset into a USB port on your PC using the supplied USB cable.
6. How to use

- **Volume up**
- **Volume down**
- **Busylight indicator**
- **Multi-function button**
- **Battery indicator**
- **Bluetooth indicator**
- **USB connect & charging port**
- **On/off/connect switch**
## 6.1 Everyday use

<table>

7.2 How to care for your headset

- Always store the headset with the power off and safely protected.
- Avoid storage at extreme temperatures (above 55°C/131°F or below -10°C/14°F). This can shorten battery life and may adversely affect the headset.
