Jabra Speak 510
Engineered to be unplugged.
Portable USB and Bluetooth® speakerphone.

Make every conference call productive

Take your conference room anywhere, at any time.
The Jabra Speak 510 is a portable speakerphone that gives you the power to turn any room into a conference room. Regardless of your location and your timeline, you can now join the conversation anytime, anywhere.

Slim and compact design.
Get the perfect solution for audio conferencing on demand, with a compact and lightweight design, integrated USB cable management for quick set-up, and a protective travel case.

Plug and Play solution
Plug in your USB cable or connect via Bluetooth®, and simply connect Jabra Speak to your PC, tablet or smartphone. That’s it. You’re ready to dial in.

Outstanding sound quality
Enjoy crystal-clear and natural sounding calls that allow attendees to hear and speak clearly across any location.

Unlimited mobility
Choose Jabra Speak 510, enhanced with Bluetooth, to connect to any smartphone and get the freedom to communicate on your terms.

Optimal user experience
Benefit from full compatibility – including call control – with the leading UC/Softphone solutions and any Bluetooth-enabled cell phone, smartphone or tablet.

At a glance:

Jabra Speak 510
• Turn every room or space into a conference room
• Choose between an office and a personal speakerphone to call and multitask on your terms -at the office, at home or on the go.
• Experience an award-winning device recognized as #1 in sound quality (voice and music) and #1 in design*.
• Voice Command made simple. Personalize your Speak with MS Cortana, Siri® and Google Assistant™.**
