

## Jabra Evolve 75e UC

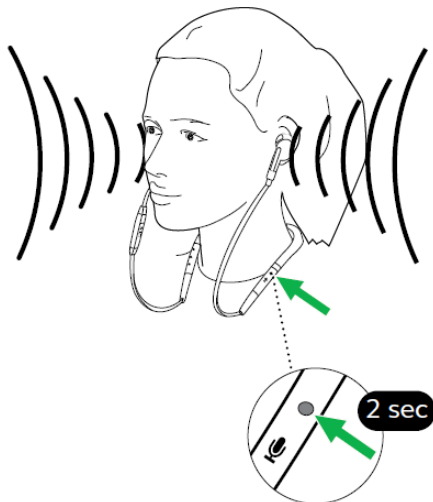

### Can I listen to my surroundings when I am wearing my earbuds and not using them for calls or music?

The Listen-in feature lets you hear your surroundings without having to remove the earbuds.

#### Note

If you are using your earbuds for calls or playing music, the Listen-in feature will mute all speaker audio.

To turn on Listen-in, press and hold the **Audio mode** button for 2 seconds.
