

Jabra Pro 935 Dual Connectivity

How do I pair my Jabra Pro 925/935 headset with my mobile device?

You can pair your Jabra Pro 925/935 headset with your mobile device in two ways.

To pair using the headset base, follow these steps.

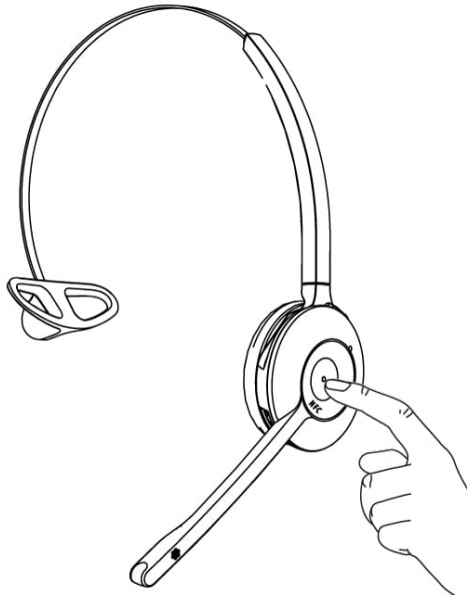

1. Turn on the Bluetooth setting on your mobile device.
2. Connect your Jabra Pro base to a power supply.
3. Wear the headset.
4. To enter pairing mode, tap the **Mobile device** icon on the base. Pairing mode is announced in the headset, and the icon lights up.
5. To pair, go to the Bluetooth menu on your mobile device and select the Jabra Pro 925/935 from the list of available devices. Enter "0000" (four zeros) if you are asked for a pin code.

To pair using the headset, follow these steps.

1. Turn off your headset by pressing (1 second) the **Multi-function**

button.

2. To enter pairing mode, press and hold (5 seconds) the **Multi-function** button until pairing instructions are announced.
3. To pair, go to the Bluetooth menu on your mobile device and select the Jabra Pro 925/935 from the list of available devices.
Enter "0000" (four zeros) if you are asked for a pin code.

Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, [see here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed steps for pairing with a mobile device.
