Voice guidance is turned on, as the default setting, on your Jabra device.

To manually turn off/on voice guidance, follow these steps.

1. Turn on your Jabra device.
2. Make sure your Jabra device is paired with your smartphone.
3. Open the Jabra Assist app.
4. Tap your Jabra device name, **Device settings**.
5. In **Voice**, tap **Voice guidance & control**, to turn off/on.

You can only adjust this setting using Jabra Assist. The app is available for both iOS and Android phones.
