Jabra Elite Sport (Original)

How do I turn off/on incoming caller ID on my Jabra Elite Sport?

Prerequisites

- Jabra Sport Life - Android
- Jabra Sport Life - iOS

To turn incoming caller ID off/on, follow these steps.

1. Open the Jabra Sport Life app.
2. Make sure your Jabra Elite Sport is paired with your smartphone.
3. Tap **Settings, Headphone settings, Incoming call ID** to turn the feature off/on.

Note:

These steps do not affect on-the-go updates during a workout or the normal voice guidance from the earbuds.
