

Jabra Elite 65t - Copper Black

How do I get the best fit with my Jabra true wireless earbuds?

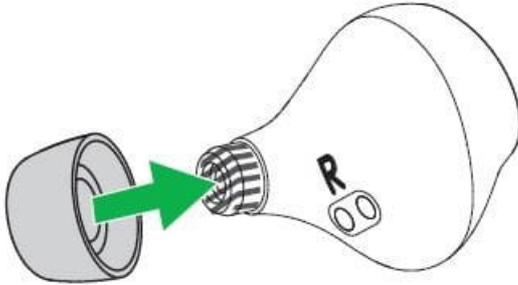

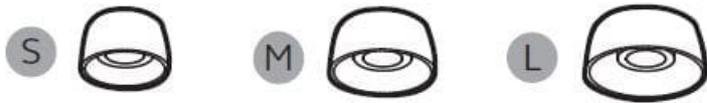

Insert the earbud into your ear and rotate to fit comfortably.

Ensure the microphone is pointing towards your mouth.

For the optimal audio experience and fit, we recommend that you try each of the different EarGel sizes. The fit should feel tight and secure in your ear. The medium EarGel is pre-mounted on the earbuds. Ensure the EarGel is firmly attached.
