

Jabra Elite 85h - Black

How do I update the firmware on my Jabra device using Jabra Sound+?

Prerequisites

- [Jabra Sound+ - Android](#)
- [Jabra Sound+ - iOS](#)

If your Jabra device is turned on and connected to your mobile device, when you open Jabra Sound+, a notification will appear when a new firmware is available. The **Discover** icon will also pulse with a yellow glow.

To install new firmware, follow these steps.

1. Make sure your Jabra device is turned on and connected to your mobile device.
2. Open Jabra Sound+ and tap the **Discover** icon.
3. Tap **Update now** and make sure to **Agree** to the license terms to start the update process.
4. Follow the onscreen instructions to update the device.
A notification appears in Jabra Sound+ when the firmware update is complete.

Note

Enable notifications for the Jabra Sound+ app to receive a notification on your smartphone when a firmware update is available.

Download Jabra Sound+ from [Google Play](#) to your Android device or from the [App Store](#) to your iOS device.
