

Jabra PanaCast 20

How do I access the Jabra PanaCast 20/50 camera controller in Jabra Direct?

Prerequisites

- [Jabra Direct - latest version](#)

There are two ways to access the camera controller in Jabra Direct.

- Go to Jabra Direct > Jabra PanaCast 20/50 > Camera controller.
- In the Windows system tray or the macOS menu bar, click the Jabra Direct icon to open Jabra Direct. Then click **Camera controller**.
