

# Jabra Evolve2 50 - USB-C/A, UC Mono (without Bluetooth)

## How does the microphone boom arm work?

You can use the microphone boom arm for the following voice control functions.

### Mute/unmute microphone

To mute the microphone, move the microphone boom arm up. To unmute the microphone, move the microphone boom arm down.

### Answer incoming call

To answer an incoming call, move the microphone boom arm down.

### Note

These boom arm functions are on by default. You can change the setting

using [Jabra Direct](#).

The microphone boom arm is designed and intended to be bent inwards towards your mouth. Bending the boom arm outwards could cause damage to the headset.
