How do I manually turn off/on voice guidance on my Jabra Evolve2 50?

Voice guidance is turned on by default on your Jabra Evolve2 50. To manually turn voice guidance off/on, simultaneously press and hold (5 seconds) the **ANC** button and the **Volume up** button on the right earcup until you hear an announcement in the headset.

Right earcup

Alternatively, you can turn off/on voice guidance using Jabra Direct on your computer.
