

## How can I avoid purchasing a counterfeit Jabra product?

Like many other global brands, Jabra is facing the challenge of counterfeiters, who continuously try to exploit the Jabra brand and the success that we enjoy. To avoid the risk of buying a counterfeit product, you should always purchase your Jabra product from authorised Jabra distributors and dealers only. Purchasing Jabra branded products, on internet auction sites at very low prices, often involves a high risk of receiving counterfeit products.
