

Jabra Motion Office MS

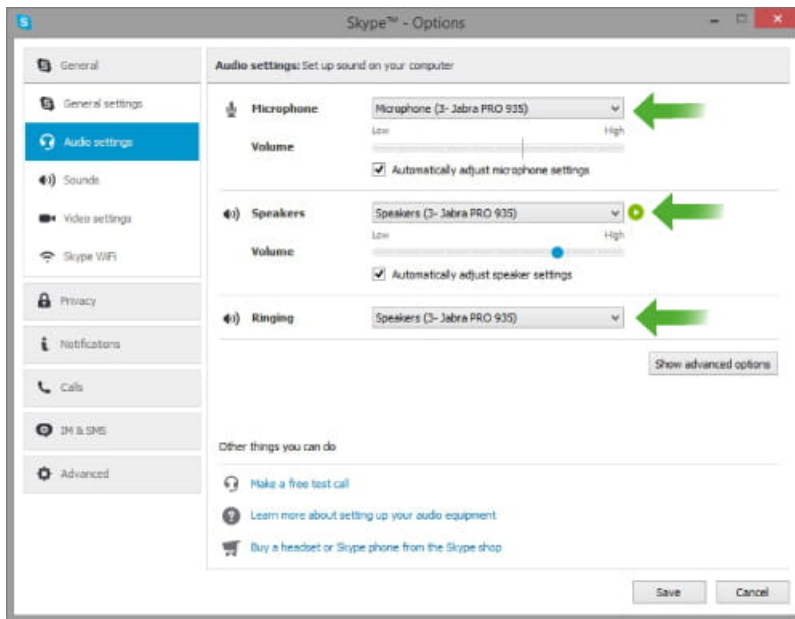

How do I set up my Jabra device to work with Skype for Windows?

To select your Jabra device for use with Skype, follow these steps.

1. Start Skype.
2. Select **Tools**, and then select **Options**.

3. In **General**, select **Audio settings**.
 4. For each of the settings **Microphone**, **Speakers**, and **Ringling**, select the Jabra device, and then click **Save**.
- If you are using a Jabra device with a connected Link adapter, select the Link adapter.
