# Jabra Evolve2 85 - USB-C MS Teams Stereo - Black

How do I charge my Jabra Evolve2 85?

You can charge your Jabra Evolve2 85 using the supplied USB charging cable or the optional charging stand. It takes approximately 2 hours and 20 minutes to fully charge the battery. 15 minutes of charging time gives 8 hours of battery. The headset battery life is up to 37 hours.

Use the USB charging cable

Plug the USB charging cable into the USB-C charging port on the left earcup and an available USB port on your computer. We recommend you use the supplied Jabra charging cable, although it is possible to use a compatible charger.
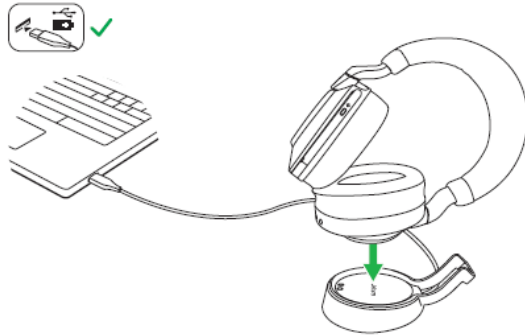

Left earcup

Use the charging stand (optional accessory)

Use the supplied USB charging cable to connect the charging stand to a powered USB port on your computer, and then dock the headset on the charging stand. The status LED on the headset will briefly flash white to indicate the headset has been correctly docked on the charging stand.

Powered USB port

Status LED on left earcup

- A solid green LED indicates the battery is full.
- A solid yellow LED indicates the battery is medium.
- A solid red LED indicates the battery is low.
- A flashing red LED indicates the battery is critically low.
