

## How do I change the voice assistant using my Android smartphone?

### Prerequisites

- [Jabra Sound+ - Android](#)

On your Android mobile phone, you can change your preferred voice assistant for your Jabra Elite headset.

To change the default voice assistant, follow these steps.

1. Go to Jabra Sound+ > Settings icon > Voice Assistant/Spotify.
2. Tap **Voice assistant** and then select your preferred voice assistant.

### Note

The voice assistant and Spotify playback use the same button control so they cannot both be enabled for your headset at the same time.
