

Jabra Motion Office MS

How do I switch from a current call to an incoming call?

To put the current call on hold and answer the incoming call, push the blinking button on the phone.

To end the current call and answer the incoming call, follow these steps:

1. Press the button on your Jabra headset to end the current call.
2. Press the button again to transfer audio from the phone to the headset.
3. Push the blinking button on the phone to answer the incoming call.
