

Jabra Pro 9460 Duo

What is the talk time of my Jabra Pro 9400 headset?

See the following table for talk times for the Jabra Pro 9400:

Headset	*Wideband talk time	**Narrowband talk time
Jabra Pro 9460 Mono/Duo	Up to 7 hours	Up to 10 hours
Jabra Pro 9465 Duo	Up to 7 hours	Up to 10 hours
Jabra Pro 9470 Mono	Up to 7 hours	Up to 9 hours
Jabra Pro 9450 Mono/Duo	Up to 7 hours	Up to 10 hours

*Wideband describes sounds that are within a frequency range between 150 and 6800 Hz. Wideband is typically used with wideband desk phones and softphones and offers an almost natural speech experience. Wideband requires higher power usage and therefore, uses more battery.

**Narrowband describes sounds that are within a frequency range between 300 and 3400 Hz. Narrowband is typically used with desk phones.
