

Jabra Engage 55 - USB-C UC Stereo with Charging Stand

How do I charge my Jabra Engage 55?

When the Jabra Engage 55 is fully charged, the stereo and mono variants provide up to 13 hours of talk time, and the convertible variant provides up to 8 hours. There are two ways to charge the headset.

USB cable

Connect the headset to a power supply using the supplied USB cable. The status LED on the headset will flash yellow to indicate the headset is charging. It takes between 2.5 and 5 hours to fully charge the headset.

Charging stand (optional accessory)

The headset will charge when it is docked in a charging stand that is connected to a USB power supply. The status LED on the headset and the battery icon on the charging stand will flash yellow to indicate the headset is charging. It takes approximately 1.5 hours to fully charge the headset.
