

# Jabra Biz 1500 Duo QD

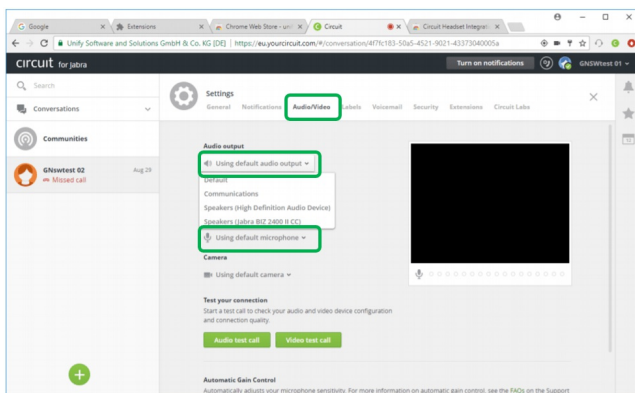

## How do I set up my Jabra device to work with Unify Circuit?

To select your Jabra device for use with Unify Circuit, follow these steps.

1. Click your profile name on the top right corner of the client window and select **Settings**.

2. Select **Audio/Video**. In **Audio output**, select the available Jabra devices for speakers and microphone.  
If you are using a Jabra device with a connected Link adapter, select the Link adapter.
