

Jabra Evolve 65 TE - USB-A MS Stereo

How do I manually reset my Jabra Evolve 65 TE to the default settings?

When you reset your Jabra Evolve 65 TE, previously paired devices and settings will be cleared.

To reset, simultaneously press and hold the **Volume up** button and then press the **Multi-function** button until the status LED flashes green.

Note

After resetting you must re-pair your Jabra Evolve 65 TE with your Bluetooth devices, including the Jabra Link Bluetooth adapter.
