

# Jabra Motion

## How do I pair my Jabra Motion with my mobile device?

To pair the Jabra Motion with your smartphone, tablet, or other handheld mobile device, follow these steps.

1. Turn on the Bluetooth setting on your mobile device.
2. Turn off your Jabra Motion by closing the boom arm.
3. To enter pairing mode, press and hold (5 seconds) the **Call** button on your Jabra Motion and simultaneously open the boom arm. Release the **Call** button when the light flashes blue.

4. To pair, go to the Bluetooth menu on your mobile device and select the Jabra Motion from the list of available devices.  
Enter “0000” (four zeros) if you are asked for a pin code. The headset will announce when it is paired.

### Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, [see here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed

steps for pairing with a mobile device.
