

Jabra Talk

How do I reset my Jabra Talk?

When you reset your Jabra Talk, the list of devices that have been paired with it is cleared.

After you have reset your Jabra Talk, you will need to re-pair it with your smartphone. Remember to delete the previous pairing before you re-pair.

Follow these steps to reset:

1. Turn on your Jabra Talk.
2. Simultaneously press and hold the **Answer/end** button and the **Volume down** button (5 seconds), until the **Battery** and **Bluetooth** LEDs simultaneously flash 5 times.
3. Turn off your Jabra Talk.
4. Turn on your Jabra Talk, and the blue light will flash indicating that the headset is in pairing mode.
