

Jabra Elite Sport (Lime Green Grey)

How do I turn off/on voice guidance on my Jabra Elite Sport using Jabra Sport Life?

Prerequisites

- [Jabra Sport Life - Android](#)
- [Jabra Sport Life - iOS](#)

Voice guidance is turned on, as the default setting, on your Jabra Elite Sport.

To turn off/on voice guidance, follow these steps.

1. Open the Jabra Sport Life app.
2. Make sure your Jabra Elite Sport earbuds are paired with your smartphone.
3. Tap **Settings, Headphone settings, Headphone readouts** to turn off/on.

Note:

These steps do not affect on-the-go updates from the app during a workout.
