

Jabra Elite Sport (Upgrade)

How do I find the firmware version of my Jabra Elite Sport using Jabra Sport Life?

Prerequisites

- [Jabra Sport Life - Android](#)
- [Jabra Sport Life - iOS](#)

To find the firmware version, follow these steps.

iOS

1. Open Jabra Sport Life.
2. Tap **Settings, About, Technical info.**

The current firmware version and language are displayed.

Android

1. Open Jabra Sport Life.
2. Tap the menu icon, **Support, About, Technical info.**

The current firmware version and language are displayed.
