

Jabra Elite 25e

How do I take the best care of my Jabra wireless earbuds?

We recommend you care for the earbuds as follows.

- Keep the earbuds clean with a soft, slightly dampened cloth – do not use harsh cleaning agents.
- To prevent the depletion of the battery lifetime or capacity, avoid storing the earbuds in hot or cold environments, such as a closed car in summer, or in winter conditions.
- Keep the earbuds at temperatures between 15-25°C / 59-77°F.
- Do not store the earbuds for extended periods of time (maximum three months) without recharging them.
