

Jabra Sport Life

The Jabra Sport Life app seems to be stuck with a corrupt database - what should I do?

Prerequisites

- [Jabra Sport Life - Android](#)
- [Jabra Sport Life - iOS](#)

This issue may occur in rare cases when updating Jabra Sport Life to a new version. Follow these steps to resolve:

1. Force close Jabra Sport Life.
2. Reboot your mobile phone.
3. Restart the update of Jabra Sport Life.
