

Jabra Elite 65t - Titanium Black

How do I achieve the best sound with my Jabra earbuds?

To achieve the optimal comfort and sound quality, the fit of the earbuds is essential. With the right size EarGels, the earbuds will create a tight seal in your ear canal to reduce audio leakage and provide a fuller sound experience.

While inserting the earbuds into your ears, twist the earbuds lightly until it feels comfortable and the microphones are pointing down towards your mouth. Make sure you try all sizes of the provided EarGels until you find the fit that gives you the best combination of comfort and sound quality.

Note

You may benefit from using a different size EarGel in each of your ears. No two ears are exactly alike.
