

Jabra Elite 65e

How do I manually reset my Jabra headphones to the default settings?

When you reset your Jabra headphones, previously paired devices and settings will be cleared. Follow these steps to reset.

Ensure the headphones are turned on and you are not on a call. Then simultaneously press and hold the **Volume up** button and the **Multi-function** button for 5 seconds.

After resetting, you must re-pair the headphones to your smartphone and adjust any previous settings.
