

# Jabra Talk 5

## How do I reset my Jabra Talk 5?

When you reset your Jabra Talk 5, the list of devices that have been paired with it is cleared. To reset your Jabra Talk 5, follow these steps:

1. Turn off your Jabra Talk 5.
2. Press and hold the **Answer/end** button for approximately 5 seconds until the LED is solid blue.

3. Double-tap the **Answer/end** button. Your Jabra Talk 5 is now reset. When you turn it on again, it will automatically go into pairing mode.
4. Go to the Bluetooth menu on your smartphone, and then select Jabra Talk 5. Enter "0000" (four zeros) if you are asked for a pin code.

Note: When your Jabra Talk 5 has been reset, you will need to re-pair it with your smartphone. Remember to delete the previous pairing before you re-pair.
