

Jabra Biz 2400 II USB Mono BT

How do I pair my Jabra Biz 2400/2400 II with my mobile device?

To pair your Jabra headset to your your smartpone, tablet, or other mobile device, follow these steps.

1. Start with your headset connected to a computer and turned on. The headset is powered by USB, so it turns on and off with the computer.
2. To enter pairing mode, press and hold the **O** button on the control unit until the LEDs flash blue.

3. To pair, turn on the Bluetooth setting on your mobile device. Go to the Bluetooth menu on your mobile device and select your Jabra product from the list.

Enter “0000” (four zeros) if you are asked for a pin code.

Note

If pairing is not successful, try the pairing steps again, or try pairing with a different Bluetooth device. For troubleshooting tips, [see here](#).

Optionally, try using the [Bluetooth Pairing Guide](#) which provides detailed steps for pairing with your mobile device.
