

# Jabra Elite Active 65t - Amazon Edition

## What is a Moment?

### Prerequisites

- [Jabra Sound+ - Android](#)
- [Jabra Sound+ - iOS](#)

A set of predefined audio settings within the Jabra Sound+ app. Each Moment is designed for a specific situation. For example, 'Commute' is designed to give the best sound experience while commuting. You can adjust the settings for each Moment to further optimize them for each situation.
