

# Jabra Elite 25h

## How do I reset my Jabra Elite 25h?

When you reset your Jabra Elite 25h, the list of devices that have been paired with it is cleared. Follow these steps to reset:

1. Turn on your Jabra Elite 25h.
2. Simultaneously press and hold (5 seconds) the **Multi-function** button and the **Volume up** button until 2 brief sound prompts are announced in the headset.

3. Your Jabra Elite 25h is now reset and is ready to pair.

### **Note:**

When your Jabra Elite 25h has been reset, you will need to re-pair it with your smartphone. Remember to delete the previous pairing before you re-pair.
