

Jabra Busylight

Can I use the Jabra Busylight with all Jabra products?

You can use the Jabra Busylight with:

- Jabra Pro 9400 - all variants
- Jabra Motion Office
- Jabra Link 850
- Jabra Link 860
- Jabra GN9300e - all variants

Note: Some Jabra products that are not compatible with the Jabra Busylight, may have a built-in busylight located on the speaker house, microphone boom, or microphone boom tip, for example. This built-in busylight lights up or flashes when you are on a call.
