

Jabra Evolve2 85 - USB-A UC Stereo Stand - Black

How do I turn on/off Active Noise Cancellation (ANC) on my Jabra Evolve2 85 headset?

You can turn on/off ANC manually on the headset and also using Jabra Sound+.

Turn on/off ANC manually

Press the **Sound Modes** button on the left earcup to cycle through these options: Active Noise Cancellation (ANC), HearThrough, Off.

Left earcup

Turn on/off ANC using Jabra Sound+

1. In Jabra Sound+, select the Moment you want to customize. Moments in Jabra Sound+ are customized independently from one another. If you select a different Moment, you may need to repeat these steps.
2. In **Sound Modes**, change the setting according to your personal preferences.

You can configure ANC settings using Jabra Sound+ ([Google Play](#) | [App Store](#)) on your smartphone or [Jabra Direct](#) on your computer.
