

## Jabra PanaCast 20

### How many microphones does the Jabra PanaCast 20 have?

The Jabra PanaCast 20 has three built-in HD microphones. The optimal microphone range is up to 2.5 meters/8 feet.

The microphones are off by default. You can change the setting using Jabra Direct, after which you must restart the camera for the change to take effect.

To turn the microphones on/off, go to Jabra Direct > Jabra PanaCast 20 > Settings > Audio > Microphone.
