

Jabra Evolve2 75 - USB-C UC - Black

How do I turn on/off Active Noise Cancellation (ANC) on my Jabra Evolve2 75 headset?

You can turn on/off ANC in the following ways.

Turn on/off ANC manually

Press the **Sound Modes** button on the left earcup to cycle through these options: ANC, HearThrough, Off. The **Sound Modes** button will override the ANC setting in Jabra Sound+.

Left earcup

Turn on/off ANC using Jabra Sound+

Go to Headset > Sound Modes and select your preferred setting.

Note

You can configure ANC settings using Jabra Sound+ ([Google Play](#) | [App Store](#)) on your smartphone or [Jabra Direct](#) on your computer.
