

Jabra Elite 3 - Dark Grey

Why do I hear beeps when my Jabra Elite earbuds connect to a smartphone?

Your Jabra Elite earbuds uses tone guidance beeps instead of voice guidance. This is to let you know, for example, when your earbuds turn on or enter pairing mode.

You cannot turn off the tone guidance.

Download the Jabra Sound+ app from [Google Play](#) on your Android device or from the [App Store](#) on your iOS device.
