

Jabra Evolve2 75 Charging Stand USB-A - Beige

How do I charge my Jabra Evolve2 75?

You can charge your Jabra Evolve2 75 using the supplied USB charging cable or the optional desk stand. It takes approximately 2 hours and 40 minutes to fully charge the battery. If the headset is out of battery, 15 minutes of charging time will give 6 hours of battery life.

- Music time is up to 36 hours with ANC off, or up to 33 hours with ANC on.
- Talk time up to 24 hours with ANC/busylight off, or up to 18 hours with ANC/busylight on.

Charge using the USB charging cable

Plug the USB charging cable into the USB-C charging port on the left earcup and an available USB port on your computer. We recommend you use the supplied Jabra charging cable, although it is possible to use a compatible charger.

Charge using the desk stand (optional accessory)

Connect the desk stand to a powered USB port on your computer using the supplied USB charging cable, and then dock the headset on the desk stand.

The busylight and status LED on the headset will briefly flash white to indicate the headset has been correctly docked on the desk stand. The status LED will then briefly flash green, yellow, or red to indicate the current battery charging status. When the LED turns solid green, the headset is fully charged.
